

ACCESSION PROJECTS

SARAH McENEANEY

"Caught in the act of mixing paints, taking a bath, reading, napping, walking her dog, doing taxes, Ms. McEneaney rarely glances in our direction. That's fine. Who wants to do the lock-on with an artist's portrait when you can explore the fabulously detailed world she paints herself into?"

[-Roberta Smith, March 14, 2004, New York Times](#)
